

Artwork Preparation

Getting your graphics print ready:

- Logo to be supplied in Vector format
- Artworks must be saved at 'actual size'
- Do NOT add tick marks
- All text to be converted to curves
- Should colour confirming be required, supply the CMYK codes

Formats we accept:

- PDF (preferred)
- JPEG

Formats we don't accept:

- Photoshop files, word DOC files, PowerPoint files, Paint

Bleed requirements:

- Vinyl prints (20mm bleed all round)
- Fabric & PVC prints (40mm bleed all round)

Send your artworks via:

- Download links (google drive, dropbox, etc.)
- Email (max 100mg)
- USB

Vector logo

As you can see if you zoom in, does not pixelate

JPEG / PNG logo

As you can see if you zoom in, it pixelates
